

Connecticut CLE Credit VERIFICATION OF PRESENCE AT THIS PROGRAM

Pursuant to the Rules pertaining to the mandatory Continuing Legal Education for Attorneys in the State of Connecticut, we are required to carefully monitor attendance of CLE programs we sponsor, to ensure that certificates of attendance are issued for the correct number of credit hours.

Therefore, we ask that you complete this form and return it to staff at the end of the program. Each person may only turn in their form; you may not turn in a form for someone else. Also, if you leave the program at some point prior to its conclusion, you should indicate the time you left the program. Unless you do so, we may have to assume that you were absent for a longer period than you may have been, and you will not receive the proper number of credits.

Please turn in this form at the end of the program.
